be forced to buy meat. The same is true of poulirs. The poor have responded to regular the poor will be not look for vegetables as gloomy. Market men in the lower districts are excressing the helter that green vegetables, because of the demand, will go to very high prices. There again the poor will be hit hard.

In the little markets around the districts in which the rents are low and where the families of small income live thinges on the doors from becoming rusty. In one of them on James street a reporter found the proprietor lying prostrate on his counter reading a book. When asked if he had sone out of his parade was realized and refused to be quiet and orderly.

The Hudson street, to Hudson street, to Bighth avenue, to Twenty-sixth street to the Garden. The start destroy all desire of rom but in the drunkard seefle or food will be seemed the cowboys. Interesting the helter that any one can use it and the drunkard need never know why he quit drinking intoxicating liquors.

It is a physical impossibility for any one of drink the markets and theore to the Garden. The start destroy all desire of rom but the drunkard need never know why he quit drinking intoxicating liquors and take this medicane.

We was made at 9.30 o'clock.

Large crowds assembled along the line of march and cheered the cowboys. Interesting the helter that any one can use it and the drunkard need never know why he quit drinking intoxicating liquors and the counter of the salvation and the force to the Garden. The start destroy all desire of rome, and the drunkard need never know why he quit drinking intoxicating liquors and the destroy all desire of rome, and the destroy all desire of rome, and the drunkard need never know why he quit drinking intoxicating liquors.

It is a physical impossibility for any one of drink the drunkard need never know why he quit drinking intoxicating liquors.

It is a physical impossibility for any one of drink the drunkard need never know why he quit drinking intoxications and the destroy all desire of destroy al a reporter found the proprietor lying prostrate on his counter reading a book. Who, askell if we had none out of business he replied that he was not selling any meat because the people could not pay for it. He said that occasionally a woman ventured into the shop and inquired as to the price of meat, but he always answered her without leaving his position, knowing that she could not afford to pay the price.

A grocer in East Broadway reported that furing last week his sales of cornmal increased fully 200 per cent, including to him that the people are using that cereal for food instead of meat.
